

SENIOR CONNECTIONS

Senior Connections is an in-person case management program that connects older adults and dependent adults who have been negatively impacted and isolated by the COVID-19 pandemic to services that may enhance their general quality of life including social, recreational and informational activities.

SENIOR CONNECTIONS CAN HELP

- Reduce isolation
- Rejoin community
- Provide case management
- Build circles of support
- Assess transportation needs
- Screen for technology access

ELIGIBILITY

- Residents of Sacramento County
- Older adults (60 years and older)
- Dependent adults (ages 18-59) who are unable to meet their own needs, and are victims of abuse, neglect, or exploitation.
